

REMARKS

Introduction

This Reply is in response to the Office Action of April 26, 2011. Reconsideration of this application in view of the following remarks is respectfully requested.

Subject Matter Indicated to be Allowable

Claims 1-12, 18, and 19 were allowed. Claims 14-17 were objected to as being dependent upon a rejected base claim, but were indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 14-17 have each been rewritten in independent form including all of the features of claim 13, from which claims 14-17 formerly depended. Claims 14-17 are therefore allowable.

Conclusion

The foregoing demonstrates that claims 1-12 and 14-19 are in condition for allowance. Reconsideration and allowance of the application are respectfully requested.

The Commissioner is hereby authorized to charge any

fees due in connection with this submission to Deposit Account

Respectfully submitted,
